

LIONHEART SCHOOL

Attendance Policy and Procedure (Students) (DRAFT)

March 2025- March 2027

Next Review Date - March 2027

ATTENDANCE POLICY AND PROCEDURE (Students)

Aims and Expectations:

At the Lionheart School we aim to support all of our Students to ensure they access a broad and balanced curriculum that provides them with the best possible learning opportunities and experiences. Excellent levels of attendance are critical to ensure positive outcomes for all students on academic, personal, social and emotional levels.

There is much research that shows that students with attendance rates of over 90% are nearly twice as likely as those with less than 60% attendance rates to secure good grades at GCSE. Employers often cite good attendance and punctuality as some of the key skills they look for in their workforce. The Lionheart believes passionately that if a child 'attends today they will achieve tomorrow'. Attendance is therefore one of the School's highest priority. We will monitor attendance and use attendance data to identify any patterns of concern, whilst also celebrating success. Attendance concerns will be raised with parents/carers if reasons are not known by the school, e.g. a long period of illness. This information may be shared with the Local Authority following concerns in accordance with our Data Protection Policy and Privacy Notice.

Where we have concerns, or lack of engagement from families to improve attendance, we will follow the schools escalated approach to improving attendance. The schools escalated approach is child-centred, prioritising support and developing strong working relationships with families. We will use the early help process to provide support prior to escalation and consider how we can work with families to enable all students to access their right to education.

Attendance figures for each student will be formally reported to parents/carers termly. We will also share a students' attendance profile if we have concerns regarding their attendance. Throughout the school year the Attendance Team will report on the overall attendance figures for particular groups of students, this will be closely monitored for support and reported to the Governing Body.

The law on school attendance and right to a full-time education, as indicated in Working Together to Improve School Attendance sections 10 to 13, it is the legal responsibility of every parent/carer to make sure their child receives an education. This means that their child must attend every day that the school is open, unless they are too unwell to attend or permission has been given in advance from the school. Regular attendance is an important protective factor and the best opportunity for needs to be identified and support provided, especially for those children who are felt to be more vulnerable.

All attendances will be coded in line with the DFE guidelines 2024 See Appendix 1

ATTENDANCE POLICY AND PROCEDURE (Students)

The Strategic Approach by Lionheart School is proudly recognised as an Inclusive Attendance school. Our unwavering commitment to attendance centres on child-centric actions, evidence-informed practices and a shared understanding of everyone's roles and collective responsibilities to promote exceptional attendance. The Inclusive Attendance professional development model fundamentally guides our attendance approach. Comprising six tailored Learning Modules, this model empowers us to deepen our understanding by facilitating continuous professional learning for all staff. The School systems are modelled on the work of Professor Katherine Weare. (Framework for Promoting Well-Being and Responding to Mental Health in Schools) The emphasis is on developing a school culture and climate which builds a sense of connectedness and belonging to ensure all students can attend school and thrive. The approach ensures we prioritise building solid working relationships with students, and parents/carers, prior to escalation. The staged approach we follow ensures we identify triggers early that can lead to poor attendance issues such as mental health issues, lack of trust, communication and relationship breakdowns and the possible lack of networking opportunities both internal (in-school) and external (external agencies). Aims - School Attendance to meet set targets and reduce Persistent Absence (PA). - Ensure Attendance is well managed within the school, with the appropriate level of resources allocated. - Enable the school to make informed use of attendance data to target interventions appropriately, focusing on the key demographic groups highlighted in Working Together to Improve School Attendance.

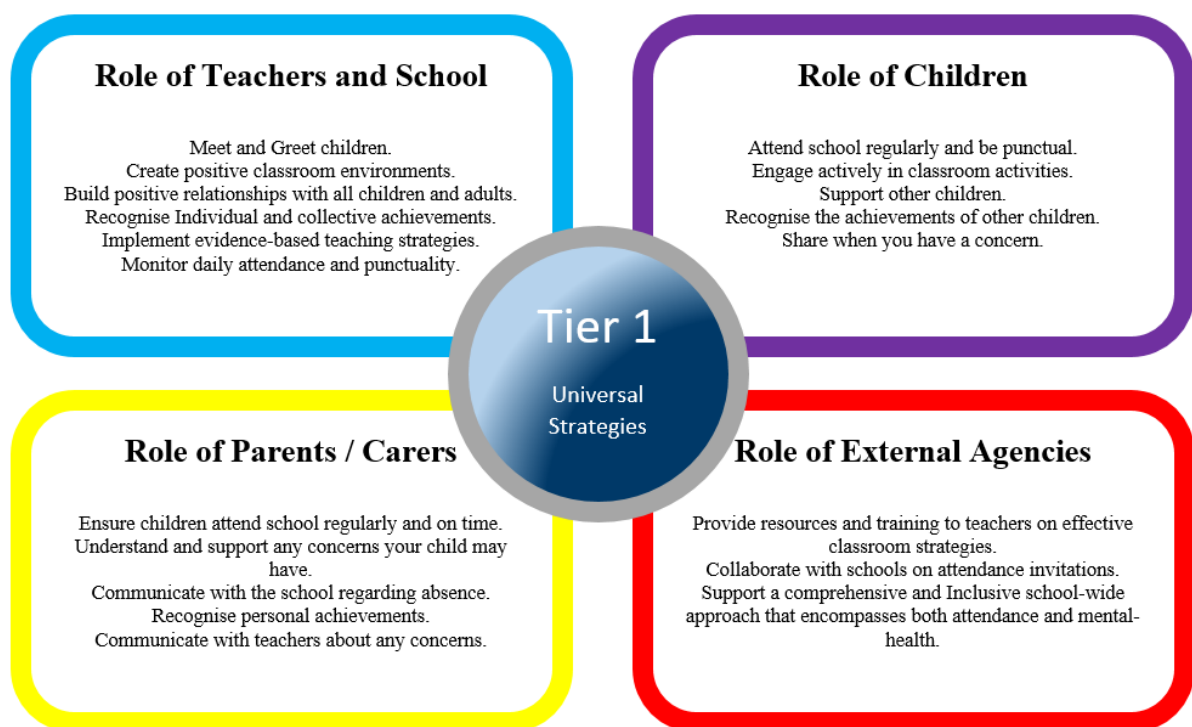

Objectives

- Create an ethos within the school in which good attendance is recognised as the norm and every student aims for excellent attendance.
- Make attendance and punctuality a priority.
- Set focused targets to improve individual attendance and whole school attendance levels.
- Embed a framework which defines agreed roles and responsibilities and promotes consistency in carrying out designated tasks with respect to promoting attendance and punctuality.

- Demonstrate, using praise and recognition, that the school appreciates that good attendance and punctuality are achievements in themselves.

ATTENDANCE POLICY AND PROCEDURE (Students)

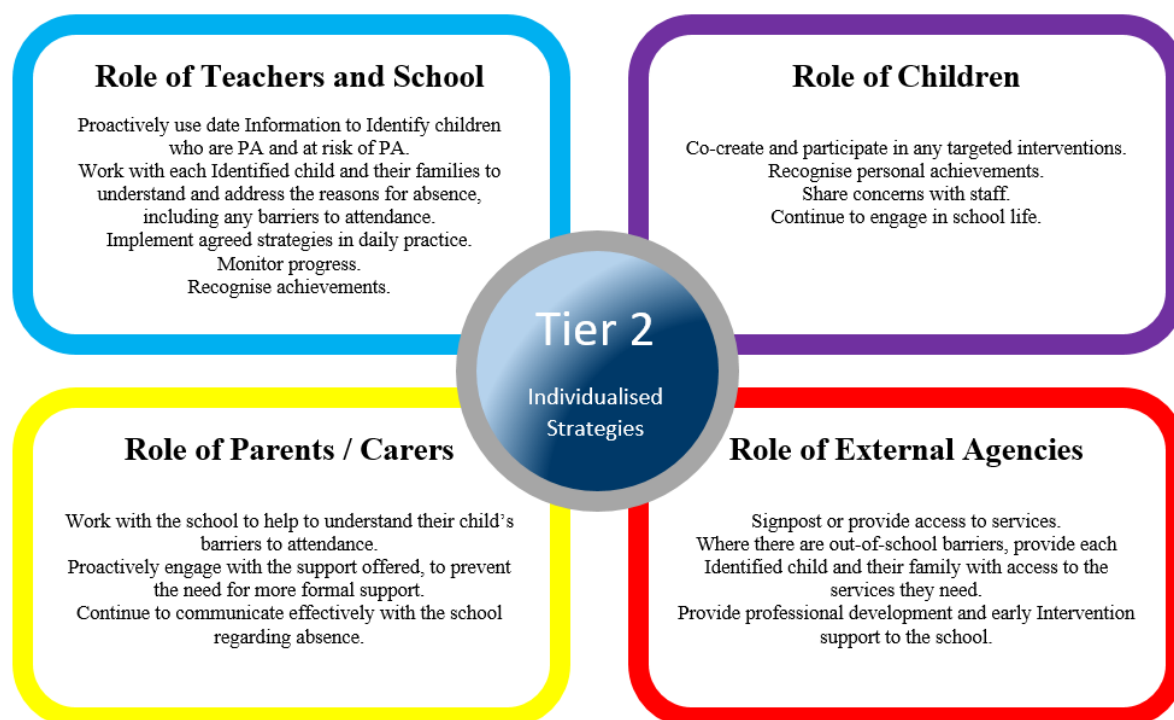

A Multi-Tiered System of Support to guarantee a comprehensive approach to attendance, Lionheart School implements a multi-tiered system of support (MTSS). A MTSS for school attendance involves three tiers of intervention, with roles for teachers, the school, children, parents/carers, and external agencies – including the Local Authority. Data driven decision-making and training requirements are pivotal to the implementation of this system. The system aligns with the Department for Education's (DFE) "Working Together to Improve School Attendance" statutory paper 2024.

Tier 1 - Universal Approach: Establishing a baseline universal attendance approach that benefits all children.

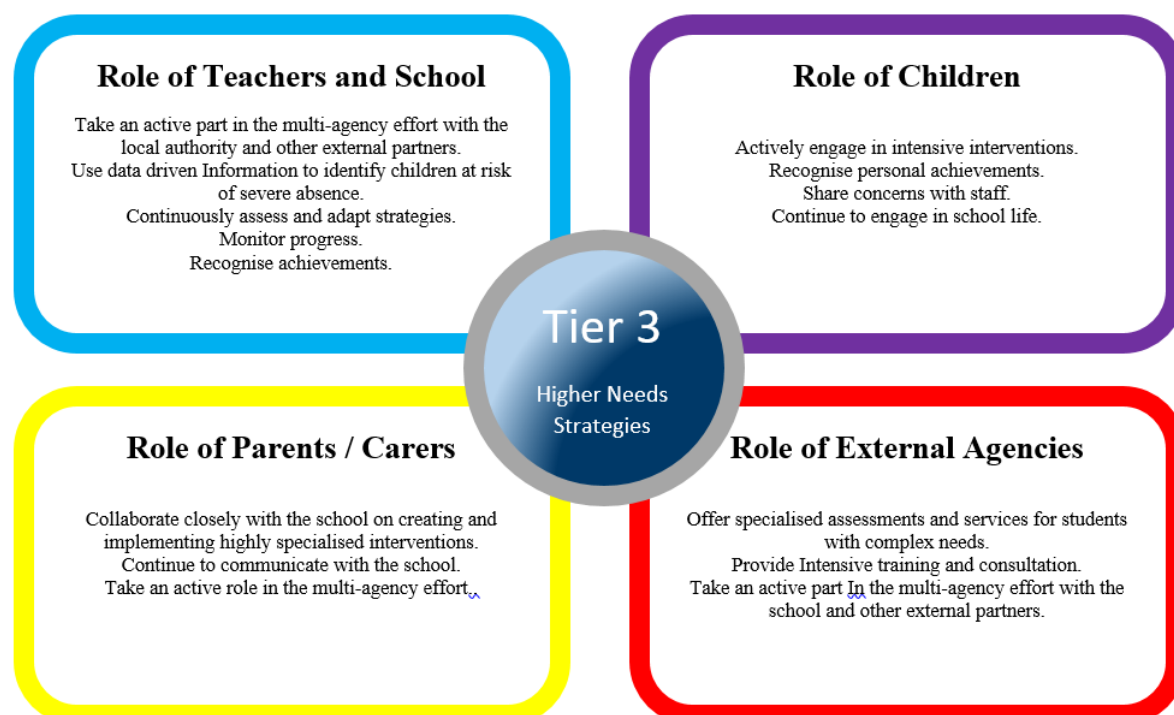

Tier 2 – Internal individualised Strategies and Early Help Support: Tailoring strategies to individual needs and providing early help support for persistent attendance challenges. Role of Parents/Carers Role of Parents/Carers Role of Parents/Carers

ATTENDANCE POLICY AND PROCEDURE (Students)

Tier 3 - Higher Needs Strategies Support: Furnishing specialised support for children, young people, and families with complex attendance requirements, including access to external agency support when necessary.

In order to improve and sustain levels of attendance on entry to the LIONHEART SCHOOL, we are committed to:

- Parents and carers will provide a note or call to the School on the day the child returns to school following an absence (e.g. illness).

Students, parents and carers can expect the following from the Lionheart School:

Lateness:

It is very important to be punctual and to arrive at the Lionheart School on time. A positive start to the day is conducive to a successful day. When students arrive between 9.00am and 9.30am, they will be marked as late.

Medical appointments:

Evidence needs to be provided to the Lionheart School Admin Staff so that these incidences can be authorised. Where possible we respectfully request that appointments are made outside of school hours.

Responding to non-attendance and the procedure for lateness:

- If no note or telephone call is received from parents or carers, the Lionheart School Admin Staff will make contact via the details we have. For this reason, it is essential that parents/carers do make sure that the details we hold are accurate and that you notify us of any changes.
- If there is no response when we contact parents/carers and the student is open to the Education and Inclusion Service or Social Care, these professionals will be contacted
- If non-attendance continues or lateness is persistent, if the student is open to the, Education and Inclusion Service, the designated officer will be contacted for support and guidance. This may include a home visit and/or a school attendance meeting.
- If a student is not open to the Education and Inclusion Service (EIS), the Lionheart School's Safeguarding Officer will make a home visit and this may be followed up by a referral to them EIS and a school attendance meeting will be arranged.

Parental requests for holiday during term time:

The Lionheart School is part of the Isle of Wight local authority and therefore operates the same approach to this as other Island mainstream schools and settings. We respectfully request that no holidays are requested or taken during term time. A leave of absence can only be granted by the head teacher in exceptional circumstances.

ATTENDANCE POLICY AND PROCEDURE (Students)

The application must be made in advance, in writing to the head teacher with reasons why the request satisfies the 'exceptional circumstances' criteria. When holidays are taken that do not fall into this category, the absences will be recorded as unauthorised.

Daily attendance procedure:

In addition to this procedure:

- Attendance will be celebrated every half term with those that improve and sustain their high attendance being acknowledged and rewarded.
- At the point of admissions, the Attendance Policy and Procedure will be shared with parents and carers.
